

The Violet Flame Decree

O St Germaine send violet flame
Sweep it through my very core
Expand and intensify more and
more
Right now blaze through and
saturate
Right now expand and penetrate
Right now set free God's mind to be
Right now and for eternity.

I am in the flame and there I stand
I'm in the centre of God's hand
I'm filled and thrilled by violet hue
I'm wholly flooded through and
through.
Right now blaze through and
saturate
Right now expand and penetrate
Right now set free God's mind to be
Right now and for eternity.

I am God's flame within my soul
I am God's flashing beacon goal
I am, I am the sacred fire
I feel the flow of joy inspire.
Right now blaze through and
saturate
Right now expand and penetrate
Right now set free God's mind to be
Right now and for eternity.

The consciousness of God in me
Doth raise me to the Christ I see
Descending now in violet flame
I see him come forever to reign.

Right now blaze through and
saturate

Right now expand and penetrate
Right now set free God's mind to be
Right now and for eternity.

O Jesus send thy violet flame
Sanctify my very core
Blessed Mary in God's name
Expand and intensify more and
more
Right now blaze through and
saturate
Right now expand and penetrate
Right now set free God's mind to be
Right now and for eternity.

Mighty I Am send violet flame
Purify my very core
Mahachohan thou holy one
Expand, expand God's lovely sun.
Right now blaze through and
saturate
Right now expand and penetrate
Right now set free God's mind to be
Right now and for eternity.

(SAY THE ROUND OF 6 VERSES
OUT LOUD, 9 TIMES)

He takes me by the hand to say
I love thy soul each blessed day,
O rise with me into the air
Where blossoms freedom from all
care
As violet flame keeps blazing
through
I know that I'll ascend with you
And in full faith I consciously accept
this
Manifest, manifest, manifest
Beloved I Am, Beloved I Am
Beloved I Am
